

RANKING LADDER FOR PHYS-ED CLASS

TASK

- You are to create a ranking ladder that identifies how to be successful in your physical education class.
- At the top of the page you are to include an image of a sport/physical activity you enjoy.
- Rank 8 components/qualities that you will need to be successful in this class (Rank from most important to least important)
- For each component explain the reasoning behind your choice
- Be creative!
